

VIVID COLOURS ! VIBRANT IDEAS !

KANDUI

MANUFACTURER OF MASTERBATCHES

OUR VISION

Our vision is to become the most trusted & preferred solution/material provider for our customers in the plastics & textile sector. We constantly strive to achieve excellence by creating the most innovative and cost-effective masterbatches. We believe in expanding values and undertaking global challenges to provide future-ready solutions to the industry

ABOUT US

Kandui Industries is a globally trusted and leading manufacturer of masterbatches with an extensive reach across the globe.

Established in 2006, Kandui offers world-class quality products and services to its customers thus making it one of the most preferred names in masterbatch manufacturing.

The company offers a combination of state-of-the-art extruders, well-equipped laboratory, reliable quality control systems, well-qualified managers, and a smart workforce.

Kandui's finest products are manufactured on:

- Coperion, Germany
- Farrel Pomini, USA
- KraussMaffei Berstorff, Germany
- Steer, India

With two world class facilities based in Daman, 140 kms from the commercial capital Mumbai, Kandui is equipped with state-of-the-art technology. The company's annual manufacturing capacity is over 45000MT, with plans to expand further to 60000MT in the coming years.

“ THE BEST QUALITY
FIRST TIME...
EVERY TIME...
ON TIME. ”

CUTTING-EDGE TECHNOLOGY

The Kandui laboratory is well-equipped with machinery from:

- Busschaert Engineering, Belgium
- Dusatec Inc, USA
- Dynisco, USA
- Labtech, Thailand
- PerkinElmer, USA
- Q-Lab Corporation, USA
- VB Soluxioni e Tecnologie Srl, Italy
- X-rite, USA & many more.

In addition to the above, the Kandui laboratory consists of testing equipment from renowned suppliers.
The fully-equipped laboratory has:

- | | |
|----------------------------------|---|
| • Accelerated weatherometer | • IV measurement apparatus |
| • Blown Film | • Melting point Apparatus |
| • Colour spectrophotometer | • MFI Test Machine |
| • Dart impact Tester | • Moisture analyser |
| • Draw & Air Texturizing machine | • Muffle furnace |
| • DSC | • Pilot Spinning Lines for (POY/FDY/BCF) |
| • Filter Pressure Tester | • Rubbing/Sublimation/Washing Fastness Tester |
| • FTIR | • TGA |
| • Gelimat | • Twin Screw Extruder |
| • Hydraulic press | • Two roll mill |
| • Injection moulding machine | & many more |

KANDUI PRACTICES VALUABLE RESEARCH AND DEVELOPMENT IN KEY AREAS WHERE THE PLASTICS & TEXTILE INDUSTRY'S PRODUCT BASE NEEDS EXTENDING.

RESEARCH & DEVELOPMENT

PRODUCT PORTFOLIO

Kandui offers clients a full range of products and services tailored to their specific needs. We seek collaborative, consultative relationships with clients and stakeholders to achieve common goals and create enduring benefits for the industry

OUR RANGE OF PRODUCTS

Kandui industries has one of the most diversified product portfolios in the industry. From developing new and cost effective solutions for additive, filler color, white & black masterbatches to creating speciality products that are innovative & efficient, Kandui has earned the reputation for innovation in the world of masterbatches.

AddKan RANGE OF ADDITIVE MASTERBATCHES

- Anti Block Cum Slip Masterbatches
- Anti-Fog Masterbatches
- Anti Rodent and Termite Masterbatches
- Antimicrobial Masterbatches
- Antioxidant Masterbatches
- Breathable Film Compounds
- Compostable Compounds
- Conductive Black Compound
- Flame Retardant Masterbatches
- Fluorescent Effect Masterbatches
- Antistatic Masterbatches
- Desiccant Masterbatches
- High Slip Shiner Masterbatches
- High Gloss Masterbatches
- Light Diffuser Masterbatches
- Metallic Effect Masterbatches
- Night Glow Masterbatches
- Nucleating Masterbatches
- Optical Brightener Masterbatches
- Pearl Effect Masterbatches
- Perfume Masterbatches
- Pet Antibacterial Masterbatches
- Pet Anti-Scratch Masterbatches
- Pet Anti-Split Masterbatches
- Pet Release Masterbatches
- Polymer Processing Aid Masterbatches
- PPR-PP LTHA Anti Oxidant Masterbatches
- Thermochromic Masterbatches
- UV Stabilizer Masterbatches

KoloKan RANGE OF COLOUR, BLACK & WHITE MASTERBATCHES

Kandui has a rich data bank of more than 10000 color shades. Kandui has an extensive range of black, white & color masterbatches for polyolefins & engineering polymers

FilKan RANGE OF FILLER MASTERBATCHES

For applications such as:

- Blow, Injection & Roto Moulding
- Extrusion Lamination & Coating
- Flexible & Rigid packaging
- Monolayer & Multi-layer Films
- Non-woven
- Raffia

Kapok RANGE OF MASTERBATCHES FOR MANMADE TEXTILES

- Nylon
- Polypropylene
- Polyester

WE ENSURE GOOD QUALITY
PRODUCTS & SERVICES FOR
OUR CUSTOMERS.

THE ROAD TO EXCELLENCE

Kandui has been certified with the prestigious ISO 9001:2015 certificate by TUV.

Kandui is proud to be honoured as best brand for plastics by Economic Times twice in a row, 2018, 2019, 2020 & 2021.

The company's R&D facility is recognised by Department of Scientific & Industrial Research, Govt. of India. Kandui is a member of the prestigious Bureau of Indian Standards (BIS).

AWARDS & CERTIFICATIONS

- Bangladesh
- Bhutan
- Bolivia
- Canada
- Côte d'Ivoire
- Egypt
- Ethiopia
- Ghana
- Indonesia
- Iran

- Kenya
- Kuwait
- Lebanon
- Madagascar
- Malawi
- Mauritania
- Morocco
- Mozambique
- Nepal
- Nigeria

- Oman
- Peru
- Philippines
- Qatar
- Russia
- Saudi Arabia
- Somalia
- South Africa
- Spain
- Sri Lanka

- Sudan
- Taiwan
- Tanzania
- Togo
- Tunisia
- Turkey
- UAE
- Uganda
- USA
- Zambia
