

KoloKan WHITE MASTERBATCHES

Kandui's *KoloKan* White masterbatches offer superior performance benefits for diverse applications. The range includes the economical grades to the standard and highly loaded grades for maximum opacity & whiteness in thin cross-sections.

Masterbatches have been designed to meet the requirements of a diverse range of applications such as:

- PP & HDPE Tape/Raffia/Mono-Filament
- BOPP Film and Cast Film
- Extrusion Coating
- Multilayer and Monolayer PE Film
- Injection and Blow Moulding
- Thermoforming
- PP Fiber, Multifilament and Non-Woven
- Polyester, Nylon and PP Partially Oriented Yarn (POY)
- Polyester, Nylon and PP Fully Drawn Yarn (FDY)
- Polyester Staple Fibre (PSF)

Products are designed based on the difference in Titanium loading percentages and combination of polymer and additives necessary for the smooth processing in specified applications
